Regarding the 47th Cadet Graduation Ceremony

The 47th Cadet Graduation Ceremony was held at our affiliated company, MK Maritime Training Center Inc. (MKMTCI) on 11th April. All the MKMTCI staff celebrated our future Captain and Chief Engineer for their new chapter in their journey.

In our training center in Bacoar city which is located about 10km to the south from International Airport in Manila, 28 members for the Deck Cadet, 16 members for the Engine Cadet, their training started on 13th January. In this 4 months, they acquired not only morality in group living in their dormitory but also technical skills. In the Deck Cadet, they trained from painting to maneuvering using the operation simulator. In the Engine Cadet, they trained from welding to treatment of the main engine using engine simulator.

All the 44 graduates will be serving as cadets on different ships to gain the qualifications to become Navigator and Engineer. We wish them all the best in their future endeavors and look forward to seeing their continued success.
